Sturm, Ann (Dec 17, 2021) Aurelia Ann Sturm, "Ann," age 84, passed away of pancreatic cancer Friday, December 17, 2021. Born in Los Angeles on July 7, 1937, she lived in several communities throughout Southern California in her childhood and young adulthood while often visiting family and grandparents (Jeff and Artie Davis), residing in Independence County, Arkansas. Ann lived in Palmdale, California, when she and her husband Gordon met in 1953 and married on November 14, 1954.

Ann enjoyed many hobbies, including needlepoint, knitting, quilting, and miniatures. In 1975 she built a miniature four-foot-tall by four-foot-wide replica of a San Francisco hillside Victorian house. Every room of the three-story miniature house was designed in intricate detail with furniture and décor of the early 1900s, and it has become a cherished family heirloom.

As a mother and wife, Ann was used to moving homes often as her husband Gordon's career as a **J.C. Penney** manager required moving to a new store with every promotion. This lifestyle did not hinder Ann's ability to make a warm and welcoming home wherever she was, and she always found time for taking on civic responsibilities in addition to caring for her children and maintaining her household. She loved the holidays and always made them very special for her family.

As her children grew older, the family moved to Eureka, CA, where Ann became a dedicated and passionate board-of-director member of The Redwood Coast Regional Center for the Mentally Disabled. Here, she spearheaded the funding and creation of a library to house educational books for parents of handicapped children and lead a support group for these parents as well.

Among her other charitable affiliations, she was active in the Assistance League, the Children's Home Society, Teddy Bears, and a board of director member of WATCH Resources in Sonora, an organization supporting independence and community integration for people with intellectual disabilities.

During the past 30 years living in Tuolumne County, Ann developed an avid interest in playing bridge and thoroughly enjoyed her membership in the ACBL, a national organization of duplicate bridge members. She loved playing bridge every week and developed wonderful lasting friendships with her bridge partners she would see at club and tournament games. She became an accomplished bridge player, attending many regional tournaments

where she earned over 1000 tournament points to become a Silver Life Master.

Ann will be loved, cherished, remembered, adored and missed by everyone she has come in contact with throughout her life.

She is survived by her husband of 67 years, Gordon Sturm; her children, Laurie Rock, Jennifer Galindo, James Sturm, Bradley Sturm; her five grandchildren and seven great-grandchildren; her brother, Larry Kalsbeek; her sister, Nancy Heikkola. She was preceded in death by her mother, Loma Rae Seuberth, and her sister, Phyllis Steeber.

Schultz, Rober Lee (Sept 25, 2021) It is indeed with sadness and grief that we announce the death of Robert Lee Schultz (Bob). However, it is with great love, pride, and reverence that we respectfully share some of his life's story.

Bob was born on June 16, 1921 in Leroy, Texas to Alvin and Emma Schultz. He had 2 sisters, Viola and Esther, and one brother, Wilburn, who have all preceded him in death. Bob died on September 25, 2021 at his residence at Celebration Senior Living in Denison, Texas. He was very much loved by the staff and he loved them as well. Bob lived independently until he was 97 years old, moving to Assisted Living to "get his money's worth out of his long-term care policy he had bought many years ago." He enjoyed being the center of attention and "being spoiled rotten" by the staff as he quickly became a favorite.

Bob attended Brenham schools all the way through high school. It was in high school that he met the love of his life, Elizabeth Seward. She was a Cheerleader and he was in the band. In addition to being in the Brenham

Cubs band, he also had his own orchestra (Bobby Lee and his Orchestra) and began playing his trumpet at age 12 for dances around the county. After graduation, Bob went to Texas A&M, beginning a love for that school that existed to his death. He was so proud of being "Class of 44." In 1942, at the end of their Junior year, Bob and his classmates were awakened one morning and told to report to the Mess Hall, where they were given uniforms and drafted into the U.S. Army to join the WWII efforts abroad as Corporals. It was just that quick. When interviewed, so that a position could be found that best fit his skills, he said that he could shoot a rifle... A statement he said that he immediately regretted because he was assigned to the Fifth Army in the 351st "Spearhead" Infantry Regiment, 88th Blue Devil Division that fought in the Italian Campaign. He later said that he sure wished he had told them that his special talent was driving. That way maybe he would have been given a tank instead of a rifle with no protection. He was sent to Officer Training School at Ft. Benning, Georgia where he was commissioned as a 2nd Lieutenant. By the end of the war, his rank was that of 1st Lieutenant.

Prior to leaving for Africa and then on to Italy, Bob married his high school sweetheart, Elizabeth Seward, in a small church in Yuma Arizona where he was enrolled in special training. Bob and Elizabeth and a friend and his new wife then drove cross country to Roanoke, Virginia, where he traveled on a freighter that crisscrossed the ocean to dodge "U boats" to Algiers, Africa. Bob was overseas 18 months during which time he earned the Combat Infantryman Badge, a Bronze Star, and 2 Purple Hearts.

When Bob returned to Brenham after the War, he reenrolled in Texas A&M, completed his degree in Wildlife Management and a second degree in Business Administration. Upon graduation, he interviewed with the **J.C. Penney** company in downtown Houston and was hired as a management trainee. This began his 40 year career with the company.

Bob first became a **J.C. Penney manager in Portales, New Mexico**. His next store was in Port Arthur, Texas. He moved his family to his next store in Clovis, New Mexico, then onto San Antonio, Texas, followed by Jefferson City, Missouri. From Missouri, Bob accepted the management position at Amigo Land Mall in Brownsville, Texas, followed by his final store in North Little Rock Arkansas. He enjoyed great success as a store manager and was acknowledged as being one of the top J.C. Penney store managers in the nation.

Right before retirement, Bob lost Elizabeth and moved to Temple, Texas to be closer to his daughter, Betty and her daughter, Carey. He and Elizabeth had been married for almost 45 years. He eventually remarried Christina Romine, an old family friend, and they enjoyed 17 years of a happy marriage until she too, passed away.

Bob loved the Lord and was a long-time member of Christ Episcopal Church in Temple, Texas. He is survived by his two sons, Robert Schultz of Columbia, Missouri, Bill Schultz and his wife, Carrie of Land O Lakes, Florida, his daughter Betty and son-in-law, Ken Higdon of Denison, Texas and granddaughter, Dr. Carey Brooks who resides with her husband, Craig, and 3 children, Ella (11), Garrett (10) and Caleb (6) in Celina, Texas. Through his marriage to Christina, Bob happily gained additional family members: 2 more sons, Roger Romine and his wife, Sandy of Newland, North Carolina and Dr. Lee Romine and his wife, Rindy of Natchitoches, Louisiana. Grandchildren include Chrissy Dollar and her husband, Jon, with their son Leo of Austin, Texas, Michael Romine of Dallas, Texas, Holly Romine of Santa Barbara, California and Hannah Horr of Sand Diego, California.

Bob was a role model to many, a successful businessman, and a wonderful husband, father, and grandfather. He was a great friend to many. He will be very missed and though not with us in physical body, he will always remain in our hearts.

He is survived by his wife of 44 years, Lori Slusser, his son, Eric Slusser, his daughter, Kristen Rzonca (Michael), his aunt, Zelma Slusser, his cousins Tani Salkowski, Kirk Smith, and Erik Smith, and his sisters-in-law Diane Sherry (Markus) and Janice Birr (Allan).

Scott was born on October 1, 1956 in Huntington, Indiana. He spent his childhood years playing with his cousins along the banks of the Wabash River. They were like siblings to him.

In 1970, Scott's family moved to Cape Coral, Florida and he quickly became friends with his neighbors. The group affectionately called themselves "the gang". Eventually bicycles were traded for golf clubs and Scott, Brian,

Dave, and JR continued as a foursome.

Scott found love with Lori at Cypress Lake High School. Three days after getting married, they moved to Tallahassee to attend Florida State University. He earned a bachelor's degree in Business Administration. Upon graduation, Scott began his career at **JCPenney** where his hard work and tenacity led to several promotions. His career with JCPenney would span 24 years in five cities with many colleagues turning into lifelong friends.

Scott began his second career at the City of Cape Coral in the Human Resources Department in 2007. He worked there for 12 years before retiring.

For over 30 years, Scott, along with his buddies Tony D., Tony S., Lee, Phil, and Charlie, gathered for biannual golf trips. These weekend getaways always included spirited debates about college football, politics, and the best bands (The Beatles always won).

Scott was an avid reader with an especially deep library of American politics and history. He also wrote short stories, song lyrics, and poetry. His work has appeared in *The Storyteller*, *Westward Quarterly*, *Poet's Ink Review*, and *Long Story Short*.

Scott's greatest joy was spending time with his sweetheart Lori. Scott was proud of his children who became curious, well-versed, and kind adults. You could always count on Scott playing his music loud, drinking his coffee black, and enjoying the evening sunset.

A private service for family members will be held at Coral Ridge Cemetery. Fond memories and expressions of sympathy may be shared at www.CoralRidgeFuneralHome.com for the Slusser family.

Shelton, Baker Joseph (Aug 30, 2021) Good Evening JCPenney Partners/Spouses: It is with sadness that I advise that Baker Joseph Shelton, has passed on August 30, 2021 at a glorious age of 98 years.

He is survived by three sons; Steve, Mark and Kent, the daughters-in-law, seven grandchildren and 5 great-grandchildren. His wife and partner, Dollie, pre-deceased Joe, but his wishes will be honored and he will be interred 10:00 AM, September 12, 2021, at Green Acres Cemetery at 401 N. Hayden Road, Scottsdale, AZ

Daughter-in-law, Sarah, reported that Joe had just completed a skit about butterflies, a "metamorphosis". He had entered into hospice services the week prior and passed peacefully.

"Joe" was hi-lighted in the Spring 2021 Issue of Partners, and I located his "story" that he prepared for a 2007 Partners "veterans" project, and will share some of the information again.

Baker "Joe" Shelton was born in Virginia in December of 1922, raised in High Point, NC, served in WWII in the Navy, and honorably discharged in December 1945. Must have loved the South Pacific and worked his way back to California, settling

in San Mateo, CA.

“Joe” attended college and worked part time at a Montgomery Ward store, and then a **J.C. Penney** store, met his wife, married in 1947. He was recruited by Blake Gordon to join on a full time basis, as Men’s Department Manager at a new store in Walnut Creek, CA in October of 1951. His JCP career, kept him in California - Fullerton and Inglewood, until late 1960’s. Early 1970’s came to the Greater Phoenix area as the District Merchandiser – Hardlines, then was District Distribution Merchandiser, retiring out of the Paradise Valley, AZ store after 37 years plus two.

One of “Joe” hobbies then and during his retirement years was to write personalized poems for fellow Associates who were transferred or retired. Thus, it was very appropriate for him in 1952, to celebrate J. C. Penney’s 50th Anniversary, to write “Penney Teamwork” and was so graciously acknowledged by Mr. Penney.

After “Joe’s” retirement, he played a little golf, gave 15 years as a Docent volunteer at the Scottsdale Center for the Arts, received the James Cash Penney Award for Community Service, and assisted in this facility receiving grants from the J. C. Penney Company. He was very involved in the Pappas School for those children less fortunate, and graciously served the

Valley of the Sun HCSC–RMG as Treasurer. He always “treasured” the friendships with the Penney people, who are indeed, a “cut above the rest”.

Condolences may be directed to the family, c/o Mr. Kent Shelton, 2335 W. Estrella Drive, Chandler, AZ 85224. ***Info provided by Vyda Bridwell***

Phillips, Earl Lynn (July 11, 2021) Loving and faithful husband, father, grandfather, great-grandfather, brother,

son, friend, and most importantly, child of God, Earl Lynn Phillips departed this world on July 11, 2021 to enter the kingdom of heaven and the presence of the Lord.

To all who knew him, Lynn was a joyful person who caught people off guard with his dry wit and sense of humor. He was a man who loved everyone, who had a gift for recognizing and promoting the potential he saw in others, even when they could not see it themselves. Generous and kind, patient and forgiving, Lynn did not expect of others what he did not expect from himself.

Lynn was a Christ follower and a member of First Alliance Church in Franklin, NC. He was happiest with hands-on ministry in the church and community, working closely with people to serve their needs as directly as he

could. His mountain home was often a retreat for missionaries visiting Franklin from around the world, and it was his pleasure to provide them a place to rest and recharge.

A husband of 57 years to his wife Pat and father to his three sons, Lynn took seriously his role as provider and protector, often working quietly behind the scenes to fulfill the desires of his family. As a grandfather, Lynn (Pop) cherished each moment shared with his grandchildren -- building things in the workshop, riding in his truck, exploring the mountain property, and especially just being together.

Lynn loved woodworking, refinishing furniture, gardening, and spending time with friends and family. Lynn passed his love of music to his children and grandchildren. He loved to plan elaborate trips and to travel. In his later years, Lynn researched family history.

Lynn was born May 19, 1941 in Mena, Arkansas to Earl Tildon and Marjorie Galloway Phillips. He graduated from Fort Smith Senior High School in 1959 and served in the Arkansas Air National Guard from 1960 until his honorable discharge in 1966. Starting out with **J.C. Penney** in the shoe department at age 17, Lynn's career included nine moves across six different states until his retirement as store manager in 1998 when he chose to settle in Franklin, his final home of 23 years.

Left with many wonderful memories are his wife, Patricia Cotten Phillips; his sons and their wives, Michael and Suzanne Phillips of Greenville, SC, Mitchell and Lori Phillips of Marietta, Georgia, and Matthew and Libby Phillips of Syracuse, NY; his grandchildren, Doug (Meg), Blake (Caitlyn), Nicholas, Ashley, Josh, Jackson, Samuel, Madie, Landon, Abby, and Austin; his great-granddaughter, Hailey Adelynn; and his siblings, Joyce Gray of Springfield, MO, and Patsy (Gary) Tuer of Mountain Home, TX. Lynn was predeceased by his parents; his sister, Brenda Fitting; his in-laws Bill and Joy Cotten and his sister-in-law, Deborah Harrison.

Lynn's body was buried at a private family service on July 14 at Ramsey Creek Preserve in Westminster, SC.

A public memorial service will be held at 4 pm on Thursday, July 22 at the First Alliance Church-Franklin, NC.

As an expression of sympathy, memorial contributions can be made to the First Alliance Church Great Commission Fund or Samaritan's Purse.

Moffitt Family Funeral Care is honored to serve Lynn's family.
