

Dear SE HCSC Members,

CANCELLED - April 2020 SE HCSC Williamsburg Event

Of course we all know why... health concerns due to coronavirus.

After much negotiating Williamsburg Lodge agreed to postpone our event until 2021 without having to pay the exorbitant cancellation fees allowed in our contract for a complete cancellation.

For those that have hotel reservations and sent activity money:

To cancel your hotel reservations call 800-261-9530, or in your acknowledgement email from The Williamsburg Lodge simply push the link and the cancel option will appear.

Bill Watson will refund your checks you sent for the activities.

For those receiving their 50 year and 100 year pins we will have that presentation at our 2021 Southeastern HCSC event.

We will send out a future announcement with dates but have negotiated with The Williamsburg Lodge for next year's meeting.

I want to thank our team for planning the event this year and having patience as we ended the event.

Special thanks to you members that sent emails with concerns and kept your reservations so we could bargain to save a cancellation fee of \$5000 to \$10,000 we were faced with only a couple weeks ago. Your sacrifice and time made this possible.

Big thanks to Bill Watson for all you do and continue to do on the HCSC group's behalf.

Thanks to Tony Farina our Hospitality connection whom I am thankful that negotiated on our behalf from paying cancellation fees.

May God Almighty keep you all safe and virus free, economically safe and blessed every day. Wishing you each happiness and peace.

David and Tina Farmer
