

## HCSC Northwest 6/22/11.....Letter to Membership and Future Members

We are currently a JCP Alumni club of 60 members in the four states of Washington, Oregon, Idaho and Montana. We don't really have a home city in that only about 15 of our members reside in or around Seattle itself. The Balance of our membership live from southern Oregon to Northern Washington, a driving range of about 500 miles North to South. ... While, still others live 300 miles as far East as Idaho and Montana. For that reason we schedule our annual gatherings geographically in the center and along the I-5 Corridor so as to make attendance as easy as possible.

Our next Membership Event is planned in Astoria, on the beautiful Oregon Coast and is scheduled for September 18-20/21 at the [www.Gearhartresort.com](http://www.Gearhartresort.com) . We still have room for anyone who would like to attend to do so. Just give me a call or send an email and I'll fill you in on the details for activities and reservations etc.

For 2012 we plan to hold a Spring Gathering in or around the latter part of May as we have done in the past. We will keep you all posted on those plans should you not be able to attend our September Gathering this year.

We would very much like to add to our Local Roster any members who either live in this geographic area or have worked here and like to touch bases with their former co-workers from time to time. Seattle, and the states of Washington and Oregon have become very attractive Retirement areas over the years.

Our annual Club Dues are 24\$ with the first year complimentary along with National dues.
